

Webinar Subscription Packages

BankWebinars.com

Your Source for High Quality E-Learning Products

The average financial institution spends thousands of dollars on every employee for training each year. We want to help you provide all the training your employees need at a fraction of that price.

If your institution plans to attend at least five webinars per year, a *Webinar Subscription Package* is for you.

Here are some great features:

- Lower rate than purchasing individual webinars
- Ability to choose Live, OnDemand or CD Registrations
- Credits do not expire
- Share with everyone at your credit union
- Over 300 newly recorded webinars to choose from each year

What our Customers are Saying:

"Excellent Webinar. I try to sign up for any webinar concerning lending or compliance that you or Carl Pry conduct. Both of you do an excellent job compared to others that I have attended"

- Gary Jordan, Vice President, PeoplesBank

"I was concerned that a 2 hour compliance webinar was going to be boring and I wouldn't retain anything. I was surprised to find that I was engaged the entire time. Having the handouts before hand was very helpful. Thanks!"

- Casidhe Meriwether, Valero FCU

Flexible solutions that fit your Financial Institutions needs!

Saves Time

Webinars allow you to train your employees as efficiently as possible. Our 2-hour programs permit trainees to spend as little time away from the office as possible. Since they can train right from their desk, there is no time spent traveling! You can also choose pre-recorded webinars from our extensive OnDemand library.

Saves Money

With our normal webinar price of \$265 you will see that you can save substantially with our Webinar Subscription Packages. The higher the Membership Level, the higher your savings!

If you have 50 employees and purchase a Diamond package, your monthly cost is less than \$35 per employee!
